Dr. Charles N. Toftoy Announces Third Psychological Thriller is in the works.....

Charles "Chuck" Toftoy, Patty Toftoy and Zoe

When it comes to Chuck Toftoy, nothing slows him down. When he's not visiting local nursing homes with his therapy Yorkie, Zoe, or running in the Senior Olympics (and winning), he's working on yet another in his "EYES" series of thrillers. *Reverse Pursuit* has a unique twist when the serial killer goes after the Alpha Team, one by one. The Alpha Team is a group who usually helps track down the serial killer. "But not this time," states Toftoy.

Toftoy will be busy this winter polishing up his skillful plot, colorful characters, and devious serial killer. What we all want to know is.... will the *Scorpion* get to any of the team first? Or will they figure it out in time?

Once again, Toftoy chuckles as we all wait in anticipation for his newest, well-crafted novel, *Reverse Pursuit*.

Based on extensive research, Dr. Toftoy provides practical, rubber-meets-the-road thoughts to INSPIRE us. The **ALPHA TEAM**, characters from his first two novels, gathers weekly to discuss important topics of life. This book is written TO you and FOR you, the reader, providing insights to help you cope with personal difficulties, make self-improvements, and assist or care for others. It will be beneficial to teenagers, young adults, seniors, men and women.

A portion of the proceeds will be donated to the Wounded Warrior Mentor Program. Dr. Toftoy is a Professor, Emeritus at the George Washington University, a disabled veteran, and the recipient of TWO purple hearts.

COLD CASE KILLER HAUNTS WASHINGTON, DC METRO AREA

Lars Neilsen, a professor-sleuth, and his highly skilled **Alpha Team** put their lives on the line to catch the cold case killer of twenty victims.

Taurus, nickname for the killer, has a track record of murders from Buffalo, Albany, and Philadelphia to the Washington, D.C. Metro area. His modus operandi is mostly strangulation---placing a plastic bag over the head of his victims.

D.C.'s heightened restlessness is reminiscent of the post 9/11, snipers, and anthrax scares. Everyone is walking on pins and needles, particularly in the Northern Virginia region. The entire nation watches.

A PSYCHOPATH IS STALKING CO-EDS IN WASHINGTON, DC

It's spring in Washington, DC - a beautiful time of year in the nation's capital, yet its citizens are uneasy. Their heightened restlessness is reminiscent of the recent 9/11, sniper, and anthrax scares. But this time the enemy is a psychopathic killer responsible for the deaths of four local university co-eds - raping and murdering them using rituals practiced by the Thuggees, killers for the Goddess Kali who were responsible for the deaths of more than two million travelers in India in the 17th and 18th centuries.

It's up to Lars Neilsen, a college professor and part-time sleuth, and his highly skilled **Alpha Team** to find out who is committing these atrocious murders. But Lars and his team are in for a few nasty surprises along the way...

Dr. Toftoy has worked in three sectors: military (20 years), corporate (12 years), academic (17 years). He was a U.S. Army airborne – ranger, infantry officer. Toftoy is a highly decorated (wounded twice) Vietnam veteran (two tours). His Doctorate is in Strategic Planning and he was awarded an MBA from Tulane University, received his BS in Engineering from West Point. In the Corporate world he served as a General Manager for Raytheon Service Company, Director of Marketing for Lear Siegler, Inc., President of PATCH Associates, and others. At George Washington University, Charles Toftoy was the Director of the Entrepreneurial Small Business Program. He taught at the undergraduate and graduate level in The Business School.
